PARENTS:

have you compared the cost of education loans?

You owe it to yourself to compare loan costs with the cost of the Insured Education Loan Plan of Manufacturers Trust Company.

For example, a four year, \$4,000 education loan from Manufacturers Trust costs only \$143.84.

A Personal Credit Counselor in any of our banking offices will help you borrow from \$300 to \$10,000—to finance education at any level—from primary grades to post graduate or business schooling—and for one to four years. You can take up to six years to repay.

Your life is insured at all times for the unpaid balance, thus assuring that the education of your son or daughter will be continued.

Before you borrow, come in and talk it over with one of our Personal Credit Counselors. He'll be glad to arrange an education loan for you. One of our 119 banking offices is very near where you live or work. 75 of them are open Monday evenings 6 to 8 p. m.

Typical Manufacturers Trust low-cost education loans
